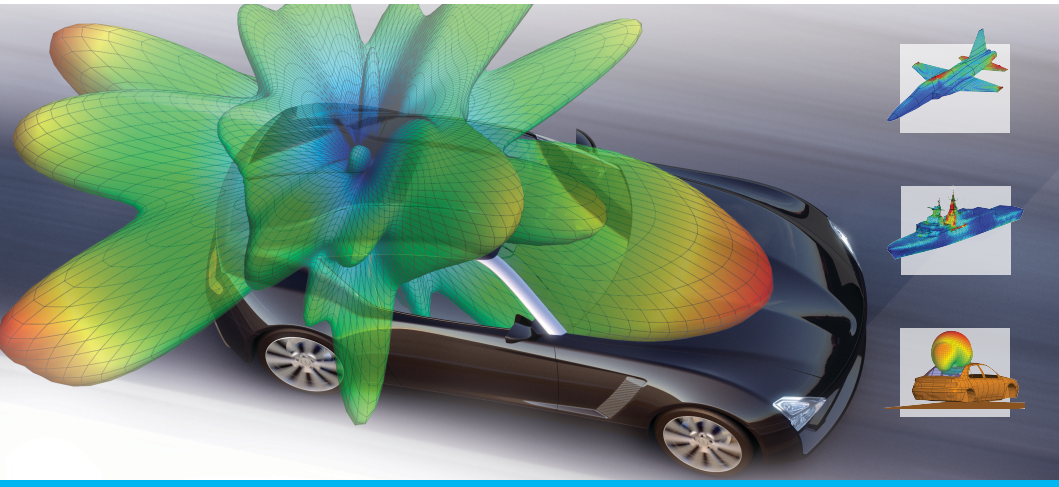
Altair **Feko**™

IEEE VICTORIAN SECTION AUSTRALIA



2 May, 2019 | 9.00am - 3.00pm
Suite 512, 1 Queens Road, Melbourne VIC 3004, AUSTRALIA

Workshop on
Altair Feko™ Application for High Frequency Simulation

- Overview of EM solvers
- Meshing
- Material properties
- RCS
- Far-field radiation pattern
- Near-field values
- Planar radiating elements (patch antennas)
- Planar greens function
- S-parameters simulation
- Antenna coupling

▶ **One month free license will be provided to all the attendees.**

▶ **Registration fee: FREE**
