**Call for Participation**

National Seminar on New Trends in Signal Processing (NeTSiP-2015) is an IEEE Gujarat Section event. This year NeTSiP-2015 is to be organized jointly by Sarvajanik College of Engineering and Technology (SCET), and Dhirubhai Ambani Institute of Information and Communication Technology (DA-IICT) at DA-IICT, Gandhinagar, Gujarat. IEEE Gujarat Section is committed to deliver the best through its signature events like NeTSiP seminar series by providing a platform to the young researchers to enhance their knowledge in the state-of-the-art research in the field of computer vision and image processing. It will enable all researchers to exchange of knowledge, to discuss research issues, to meet the one of the best experts in the domain, to understand future trends. The objective of NeTSiP is to provide an opportunity for students, faculties, scientists and engineers to interact with leading researchers in communication, speech, biometrics, and image and signal processing areas. It includes invited talks from experts in these and related areas. Researchers in academic, government and industrial organizations are encouraged to participate in the program.

**Speakers:**
- Prof. Gaurav Sharma, Professor, Dept. of Electrical and Computer Engineering, University of Rochester
- Prof. Balasubramanian R., IIT Roorkee
- Prof. V.M. Gadre, IIT Bombay
- Prof. Kishore Bhurchandi, NIT Nagpur
- Prof. Rajbabu Velmurugan, IIT Bombay
- Prof. Santanu Chowdhury, SAC, ISRO
- Prof. Mayank Vatsa, IIT Delhi
- Prof. P.C. Pandey, IIT Bombay
- Prof. Anshul Majumdar, IIT, Delhi

**For Whom**
Researchers from academia including faculty members, Ph.D. scholars, M.tech./ M.E. and B.Tech./ B.E. (final year students having projects in similar domain) as well as industry participants interested in the field of signal processing.
