## CALL FOR SPONSORSHIP

**Dear Valued Sponsors,**

The inaugural Marina Forum on EMetamaterials will be held on 4-5 March 2021 in Singapore! This is an online international forum for the exchange of information on the progress and recent advancements in the research into metamaterial theory and the development of innovative metamaterial-based antenna and EM technology.

Marina Forum 2021 will offer a rich scientific program of the highest quality with renowned keynote and invited speakers from all over the world, and provide a broad forum of exchange for both academia and industry alike, with the aim of fostering the collaboration between them. The Student Paper Contest will also be organized for students who have worked on relevant topics from fundamental research to engineering applications.

The forum will cover a wide range of topics related to metamaterials, metasurfaces, metalines, EM devices, antenna technologies, modeling methods, deep learning in metamaterials, and other applications of metamaterial concepts.

We would like to invite you to become a sponsor of Marina Forum 2021, which will provide you with one of the best opportunities to publicize your company and showcase your brand to the most influential engineering audience in microwave technologies, gain visibility and maximize the exposure of your products and services to industry leaders, influential researchers, operators, vendors, investors, and key decision makers.

You are welcome to visit our Forum website at <http://www.marinaforum.org> for more information or contact our Logistics and Finance Co-Chair **Dr. Terence See** at [spsee@i2r.a-star.edu.sg](mailto:spsee@i2r.a-star.edu.sg).

In appreciation of your support, sponsors will have their company logo (linked to company site) displayed on our Forum website, as well as during the event and on all collaterals.

We look forward to your support to this event!

**Prof. Zhi Ning Chen**  
General Chair
