**IEEE POWER
ELECTRONICS SOCIETY**
Bangalore Chapter

Track-7: Power, Energy & Electric Vehicles

IEEE CONECCT (<https://ieee-conecct.org>) is a premier international conference dedicated to advances in Electronics, Computing and Communication Technologies. The 10th edition of this multidisciplinary conference will be held in the **Indian Institute of Science, Bangalore, India, from July 12-14, 2024.**

The conference, a flagship event of the Bangalore Section of IEEE, is an annual event for an eclectic gathering of scientists, technology leaders and innovators to discuss cutting-edge research and the future of technology. It will include a highly selective technical program consisting of peer-reviewed accepted papers, and invited papers by distinguished researchers and technologists. It will be complemented with a variety of professional events that include but not limited to plenary talks, focused workshops/tutorials, special industry-led technical sessions, panel discussions, and thought leadership forums.

The Topics of interest include, but are not limited to:

- ❖ Storage Systems and management
- ❖ Vehicle to Grid Services
- ❖ Smart Grid and its applications
- ❖ Motor Drives and motion control
- ❖ Electrified Transportation
- ❖ Emerging Areas of Power Electronics and its Converters

Author Guidelines (for technical/special technical tracks):

- ❖ Prospective authors are invited to submit full papers of a minimum of 4 pages to maximum of 6 pages in a single PDF file only via EDAS.
- ❖ Submitted papers must contain original and unpublished work that has not been submitted for other publication elsewhere.
- ❖ Submitted papers must follow the IEEE Conference format
(downloadable from: <https://www.ieee.org/conferences/publishing/templates.html>)
- ❖ Submitted papers will undergo mandatory plagiarism screening as per IEEE guidelines.
- ❖ Submitted papers will undergo a single-blind peer-review process, wherein at-least three reviewers will evaluate the work based on originality, novelty, scientific contributions, presentation, etc.
- ❖ Upon paper acceptance, at least one author must register for the conference and present the paper.
- ❖ Every accepted paper has to be individually registered. As per IEEE policy, an author of every published paper needs to sign a copyright agreement. The instructions for the copyright agreement will be shared with the author after acceptance of paper.
- ❖ **All accepted and presented papers will be submitted for inclusion into IEEE Xplore subject to meeting IEEE Xplore's scope and quality requirements.**
