# **Emerging Research Trends in Engineering**

**2016**

# Welcome

Marwadi Education Foundation's Group of Institutions (MEFGI), Technical Campus, Rajkot, is a pioneering institution of technical education, approved by AICTE, affiliated to Gujarat Technological University and located in the heart of Saurashtra region. With quality programs in Engineering (BE and ME), Management (MBA, PGDM, and MAM-5-Year Dual Degree) and Computer Applications (MCA and MCA-5-Year Dual Degree), MEFGI has emerged as one of the most preferred institutions in a short span of 6 years. MEFGI is envisioned and promoted by Marwadi Shares & Finance Ltd., one of the top-10 stock broking companies in India. With the campus spread across 22 acres, and defined and equipped with State-of-the-Art infrastructure and facilities, MEFGI has the distinction of being one of its kinds as an institution on education, research, and training

We welcome our esteemed guest to this two-day workshop on "Emerging Research Trends in Engineering-2016" during December 2-3, 2016. We hope that all our participants from various organization across India will get an insight of industrial practices, current research area and trends in the field of Electrical Engineering. We anticipate that the event will have immense contribution to career of attendees.
