Dear Mr. Chaubey:

Welcome to the IEEE Student Branch program! On behalf of the Regional Activities Board, we have approved your petition to form an IEEE Student Branch at Institute of Science & Technology for Advanced Studies & Research (ISTAR).

Your Student Branch is located in Region 10 and your activities will be of interest to the volunteers listed below:

Dr. Seiichi Takeuchi, Region 10 Director  
Marzuki B Khalid, Region 10 Student Activities Chair  
Kazayuki Sudoh, Region 10 Student Representative  
Deepak Mathur, Gujarat Section Chair

Please do not hesitate to contact them for assistance and information on local IEEE activities. In addition, we are sending you promotional materials and your Student Branch Charter certificate separately. Your Student Branch code is **65201**. Please be sure to use it on all correspondence and reporting forms. On student membership applications, please use school code **45892403** to ensure that the students are properly assigned to your Student Branch. Students should join IEEE online at <http://www.ieee.org/join>.

Once again, congratulations. If Regional Activities can be of any assistance to you, please do not hesitate to contact us for assistance or information.

Sincerely,
