

IEEE India Council

M V Chauhan All India Student Paper Contest 2016

The M V Chauhan All India Student Paper Contest provides a big opportunity for IEEE student members to come together and discuss the latest developments and future directions in the areas of technology. In this contest we welcome only full paper submissions both at Undergraduate and Postgraduate level in all areas of the Engineering and Technology.

Rules and Guidelines

1. The contest is open to IEEE student members at UG and PG only from India.
2. Original & working prototype developed by the students should only be submitted.
3. The number of authors for any paper should not exceed three.
4. A student can be an author for more than one paper
5. Paper should be prepared according to standard IEEE double column A4 format.
http://www.ewh.ieee.org/r10/india_council/
6. Length of the paper preferably should be of four pages and should not exceed six pages.
7. Branch counsellors are supposed to check for plagiarism and attach the following declaration form.

“It is certified that the author..... is an IEEE student member. The paper entitledis his/her own work and and eligible for the M.V. Chauhan all India student paper contest 2016”

In case the institution does not have an IEEE student branch, this declaration should be signed either by a faculty member who is an IEEE member, or by the principal.

The paper and scanned copies of supporting documents should be submitted electronically through email and to be uploaded on <https://easychair.org/conferences/?conf=mvpc2016>
