Amazon Web Services Providing IEEE Entrepreneurship Member Benefit

Amazon Web Services (AWS) is excited to support the engineering-driven businesses of IEEE members! Through its [AWS Activate](#) program, AWS will now provide [IEEE members](#) with credits for access to cloud computing resources.

[AWS Activate](#) is a program that allows companies to access over 150 web-based services and tools to support their growing businesses; whether it's simple website hosting, storage, data analytics tools, IoT services, or building and training machine learning models (and much more). Join some of the fastest-growing startups in the world and build your business using AWS!

IEEE Entrepreneurship Community Members will be eligible for:

- \$10,000 in AWS Promotional Credit valid for 2 years;
- 1 year of AWS Business Support (up to \$5,000);
- 80 credits for [Self-Paced Labs](#) (\$80 value).

Complete this [IEEE form](#) in order to have your IEEE membership confirmed and receive your ID for [AWS Activate](#) Services as an IEEE Entrepreneurship Member Deal.

AWS Worldwide Public Sector helps startup, government, education, and nonprofit customers deploy cloud services to reduce costs, drive efficiencies, and increase innovation across the globe. With AWS, you only pay for what you use, with no up-front physical infrastructure expenses or long-term commitments. Public Sector organizations of all sizes use AWS to build applications, host websites, harness big data, store information, conduct research, improve online access for citizens, and more. AWS has dedicated teams focused on helping our customers pave the way for innovation and, ultimately, make the world a better place through technology.

Proposals to host R10 SYWL Congress 2020

Proposals are now invited from IEEE Sections in Region 10 to host the IEEE Region 10 Student, Young Professionals, Women-in-Engineering & Life Members (R10 SYWL) Congress 2020.

The congress is held every second year and provides ample opportunities to Students, Young Professionals, WIE for personal development and to learn about the IEEE goals and policies. Participation by LM members also gives a chance to share knowledge, and experience with younger IEEE members.

R10 SYWL Congress also provides an excellent opportunity for the volunteers of the host Section to enhance their organizational skills and participate in an international event. It is therefore strongly suggested to the leadership of interested Sections to involve their Committee members, especially YP, WIE and student volunteers to submit a thoroughly prepared proposal. To assist in preparing the proposal a detailed guideline is enclosed. Please adhere to the instructions outlined in the document for a better chance of due consideration of your proposal by Region 10.

Last date to submit the proposal, completed in all respect, is **Sunday, 28 July 2019**.

Please submit the proposal in PDF format by email to Ms. Ewell Tan at <mailto:ewell.tan@ieeef.org> and Dr. Zia Ahmed, Region 10 Vice Chair (Membership Activities) at zia.ahmed@ieeef.org
