

IEEE NSW AP/MTT Joint Chapter
IEEE Macquarie University Student Branch/MTT-S Chapter

**IEEE New South Wales Workshop on
Antenna and Electromagnetic Engineering**

Date : Monday, 3 March 2014
Time : 1:50 pm to 6:30 pm
Location : Conference Room 202 Building E6A,
Macquarie University NSW 2109

For Registration, send email at:

syed.abbas@mq.edu.au

Note: Seats are limited

Further Information:

Contact Professor Karu Esselle (karu.esselle@mq.edu.au)

Workshop Schedule

1:50 pm start

2:00 pm – 3:00 pm

Speaker: IEEE AP-Society Distinguished Lecturer Professor Yahia Antar,
Royal Military College of Canada, Canada

Topic: Dielectric Resonator Antenna for Wireless and Other Applications

3:00 pm – 4:00 pm

Speaker: IEEE MTT-Society Distinguished Lecturer Professor Goutam Chattopadhyay,
California Institute of Technology, USA

Topic: Terahertz Radar for Stand-Off Through-Clothes Imaging

4:00 pm – 4:20 pm

Refreshments

4:20 pm – 5:20 pm

Speaker: IEEE AP-Society Distinguished Lecturer Professor Joshua Le-Wei Li,
Monash University, Malaysia

Topic: Wideband and Low-Loss Metamaterials for Microwave and RF: Fast
Algorithm and Applications

5:20 pm – 6:20 pm

Speaker: Former IEEE AP-Society Distinguished Lecturer Professor John L. Volakis,
The Ohio State University, USA

Topic: Wearable Flexible Antennas and Electronics

Upcomming Events

Monday, 10 March 2014 : Guest Lecturer Professor Dr.-Ing. Dirk Manteuffel, Germany

Friday, 21 March 2014 : IEEE AP-Society Distinguished Lecturer Professor Per-Simon Kildal

Celebrating 125 Years
of Engineering the Future
