Dear Dr. Subhas Mukhopadhyay,

It is my great pleasure to inform you that the IEEE New South Wales Sensors Council Chapter has been selected as the recipient of the 2020 IEEE Sensors Council Outstanding Chapter Award. This award could not have come at a better time than this when the IEEE SENSORS 2021 conference is happening in Sydney. The citation of your award is as follows:

For an active, vibrant, and engaged chapter.

This award recognizes the best chapter in a given calendar year based on activity. Thank you for the dedication in hosting technical meetings, educating regional professionals and promoting the IEEE Sensors Council. This award includes \$1000 USD honoraria and a certificate.

I would like to present this award to you during the Awards Ceremony at the IEEE SENSORS 2021 Conference on October 31-November 3, 2021. The exact date and time of the awards ceremony will be decided in the coming months.

Please provide the following information so we can process your award:

1. Your full name with any accents as you would like it to appear on the award.
2. A high-resolution color photograph of yourself
3. Please complete and return the attached Chapter Award Form in order for your honorarium to be issued.

Please email the above information to the Sensors Council Operations Manager Brooke Johnson, bjohnson@conferencecatalysts.com by August 1.

Congratulations!

Best regards,

A handwritten signature in black ink that reads 'A. Shkel'.

Andrei Shkel
President, IEEE Sensors Council
