6.1	Chair	Garry welcomed Daniel and Nilesh for their new roles; elected as Chair and Vice-Chair for 2017.	Garry
6.2	Vice-Chair	We inform the new position holders now and will officially declare the results at AGM. The chapter and committee positions need to be reinstated through elections each year. Every year election has to be done even if a chapter positions are newly formed. For any event or function to be supported and/or be included under IEEE, it has to be approved to be affiliated in advance.	Daniel
6.3	Immediate past chair report (plus Engineering Australia report)	 Our petition to form an IEEE-Eta Kappa Nu (IEEE-HKN) University Campus Chapter, also known as a Campus Chapter, was approved by the IEEE-HKN Board of Governors on 22 September 2016. UQ campus will join with the more than 245 IEEE-HKN Campus Chapters worldwide who recognize those individuals within their community (students, faculty, alumni, and professionals) who distinguish themselves in the areas of scholarship, attitude, and character within the IEEE technical fields of interest. Each IEEE-HKN Chapter is given a unique Chapter name. Once a name is assigned to an IEEE-HKN Chapter, it is never reused. The IEEE-HKN tradition is that a Greek name be assigned to Campus Chapters. UQ official IEEE-HKN University Campus Chapter name is: IEEE-HKN Mu Kappa Chapter. Tapan Saha has been elected as a Member of the Electrical College Board of Engineers Australia for a second two year term commencing 1 January 2017. IEEE AC election process is going on and a new committee will start in 2017. 	Tapan

		was not approved by the members.	
6.4	Secretary	None.	
6.5	Treasurer	 Robert reported on his new appointment. Remove Mike Robinson and Abbas Bigdeli from account signatory and add Robert Kennedy as the new treasurer. Committee has approved these changes. In the interim, Garry and Daniel will approve and sign-off. I have taken over as Treasurer as of today: 11/10/2016 for the rest of 2016 and have been elected for 2017. Vaughan and I went to Bank Australia – UQ branch and started the forms for setup of account for RADAR2018 and to add myself to the IEEE Qld Section account. The following will be added as signatories to the IEEE Radar Account: Robert Kennedy (Radar '18 Finance Chair), Gordon Frazer (Technical Program Chair), Giuseppina Dall'Armi-Stoks (IEEE SA Section representative) Vaughan Clarkson (Radar'18 General Chair) Once the 2 signatories from Adelaide Section complete their forms, we can submit the forms for processing with Bank Australia. 	Saha & Garry & Robert
6.6	Awards & Recognition	 In the past I coordinated with Mike to print the certificates, make the plaque and presenting them at the AGM. With Mike's resignation I would like to get another volunteer to carry out this job in Brisbane(as I reside in Rockhampton. Since I am overseas now(in Japan under JSPS invitational research Fellowship) until 25th of November and my schedule immediately after that has some unscheduled, but essential commitments, my participation to the AGM is uncertain. Though I will try my best to participate, in case if I cannot, I would like the committee to be ready with a replacement for my duties at AGM. Bothe above issues were resolved at the October meeting and I will send the list of award winners to Garry and Daniel to act upon. 	Preethi

6.11	Newsletter Editor	 It was pleasing to see the article prepared by Queensland Young Professionals has been included in the R10 newsletter. The newsletter did not get issued at the end of September as planned at the last meeting. There has been some delay in content for the newsletter being submitted (including as late as today). The chair asked that the newsletter be issued as soon as possible, preferably today. The newsletter editor explained that articles are written with a publication date in mind. When the newsletter is not issued on time sometimes the articles contributed on time, will have to be reworked. For example the article might say "an event will be held next week" assuming an issue date, if the newsletter is not published on time the article has to be updated to say the event was previously held and more importantly that society has missed an opportunity to advertise their event. Chairs are asked to have content for future newsletters submitted on time. All chairs are asked to start preparing content for the AGM report and submit the content to the newsletter editor as soon as practicable. 	David
