# 8. Chapter and Affinity Group reports

## 7.1 Aerospace and Electronic Systems

A proposal for a second two-day short course this year, to be titled “Introduction to Electronic Warfare” or similar. It would be a joint exercise with the Association of Old Crows Australia Chapter and IEEE AESS SA Chapter. In terms of running the Brisbane course, all expenses and any surplus would be shared 50-50 between Qld Section and Old Crows. The presenters would be David Brown and Karen Haigh, both from the US. The Brisbane dates would be 13th–14th November. In terms of the organisational aspects, there would be two key differences from previous courses. As just mentioned, it would be a joint event with Old Crows. Second, there wouldn’t be a go/no-go date. If the Section approves, we’d need the commitment to be binding from Day 1. Old Crows and the IEEE AESS SA Chapter are both ready to commit similarly.

As no members were available to get more information Om will approach Robert and Vaughan to get more information about the event and the MOU. Members to send the questions to Om by Friday the 14<sup>th</sup> July.
